

51+ PARKS CHALLENGE

Following on from the success of the 50+ Peaks Challenge, which celebrated the 50th Anniversary of the establishment of the Springwood Bushwalking Club, the **51+ Parks Challenge** provides an optional theme for walks for the following year.

The rules are very simple:

1. The walks may be conducted in a national park, nature reserve, state conservation area (or similar) anywhere in the world.
2. The walks must be part of an approved SBC program activity.
3. It's difficult to be specific about the nature of the walk, but some reasonable effort should be involved! A 10 minute stroll is not acceptable - generally it should be at least a half day activity. Multi-day walks are welcome. The walks may be on or off track.
4. The walks should take place between 19th April 2017 (the 50th Anniversary of the establishment of the Club) and the 18th April 2018.
5. Only the first walk in any park in this timeframe will be recognised.
6. If more than 50 parks are claimed – all the better!!

To be eligible the leader, should forward the following information to:
info@springwoodbushwalker.org.au

1. The name of the park, and its location.
2. The name of the walk (if it has one!).
3. A brief description of the day (3-4 sentences).
4. The date/s of the walk.
5. The name of the leader/s, and the names of all people in the party.
6. A digital photo of members of the party on the walk (square format preferred).

A powerpoint presentation on the walks will be made at a Club meeting in mid 2018, and prizes will be awarded for significant achievements.

The photographs and reports will also be used on the club website and Facebook page.
